

JAMES BOWIE HIGH SCHOOL

May 27, 2020

Bulldog Nation,

Forecasters are closely monitoring a strong line of thunderstorms that are expected to bring a threat for very large/damaging hail, damaging straight-line winds, and the possibility of tornadoes late this afternoon and evening. In the interest of safety for our seniors, their families, and the Bowie staff, **tonight's Senior Send Off Salute has been rescheduled**. Inclement weather is predicted to persist through tomorrow, so we are **pushing the Senior Send Off Salute to this Friday, May 29, 2020, from 6-8pm**. The current forecast for Friday evening's weather is sunny and dry!

Please help us spread the word about this change to seniors and their families! And, thank you for your understanding, flexibility, and support of James Bowie High School and the Class of 2020!

Until we can meet at the tree,

Mark Robinson
Principal, James Bowie High School
