

JAMES BOWIE HIGH SCHOOL

June 23, 2020

Dear Bulldog Nation,

I am pleased to inform everyone that Bowie High School has earned the [No Place for Hate®](#) designation again for 2019-2020! The recognition is in response to student leadership of campus programs and events. Please take a moment to view the [congratulatory video](#) released by the Austin Anti-Defamation League.

The Austin ISD Office of **Career & Technical Education** has **partnered with [Nepris](#) to provide continuous learning for our students this summer.** Nepris connects educators and learners with a network of industry professionals, virtually, bringing real-world relevance and career exposure to all students. Nepris is offering their seven week, Virtual Summer Camp to any student in Austin ISD free of charge. The virtual summer camp is for elementary, middle and high school students to explore career pathways across a variety of industries. Now through July 30, 2020, students can have daily, virtual experiences with industry professionals and gain insight and relevance into a variety of careers. Anyone interested may register with the information below.
