❖ Pride In Performance ❖

Monday, April 23, 2018

It is almost May! As we get closer to exams - EOC, AP, and finals - look for more information to go out about those assessments. Please be sure you are checking in with your student and monitoring grades to be sure everyone is getting the most out of this school year.

Seniors may have recently noticed a “Capstone Course” on their schedule with Robinson listed as the instructor. It is not actually a course but serves an administrative function in record keeping for the school district. The requirements of current degree plan have not changed, and there are no implications for graduation. No action is required of students and/or parents.

We are partnering with Baylor, Scott and White to offer current Bowie students and incoming freshmen the opportunity to get their 2018-2019 physicals completed at the new Baylor Scott & White facility on Slaughter, Saturday, May 12th, from 9:30am – 1:00 pm. In order to arrange help from physicians, we ask that you sign up (by April 26th) with the completed Medical History on the 2018 AISD physical form. 100% of the proceeds will go to the JBHS Sports Medicine program. For more information please click here: <https://bit.ly/2FaloLw>.

Bowie PTSA needs your help! Show your love for our Bowie teachers by donating to our teacher appreciation luncheon on Wednesday, April 25, 2018. Visit our [sign-up page](#) for more information and to make food, gift card, and/or Paypal donations. For questions, please contact Deanna Valdes at [teamv3austin@gmail.com](mailto:teamv3austin@gmail.com).

If you have a current 8th grader who will attend Bowie next year, I encourage you to go ahead and "like" the Bowie PTSA FB page. If you are already a Bowie family but haven't already joined the PTSA, it is never too late! They post lots of great information, as well as brag about our students! The next time you visit campus, please look for the designated short-term parking in front of the flagpole on the parking lot side. These spaces are reserved for visitors dropping off or picking up during the school day. Please do not park along the curb that is painted red and marked “Fire Lane” and “Tow Away Zone” on the side of the flagpole closest to the building. The obstruction of a designated fire lane by a parked vehicle constitutes a traffic and fire hazard as defined by state law. Austin ISD police are authorized to write tickets to cars parked along the curb, so please use the identified parking spaces.

Go Dawgs!
