Greetings, Bulldog Nation!

We wanted to update our community about updates to our administrative team as we have included two administrative substitutes on our campus.

As you know, Mr. Robinson is currently on medical leave after recovering from a successful surgery. Ms. Kaylin Brett, our Academic Director, will be the acting principal until his return. Dr. Amalia Ramon, one of our administrative substitutes, will be supporting Ms. Brett as she manages the principal's duties and responsibilities. Ms. Brett can be reached via email at [kaylin.brett@austinisd.org](mailto:kaylin.brett@austinisd.org), and Dr. Ramon can be reached via email at [amalia.ramon@austinisd.org](mailto:amalia.ramon@austinisd.org).

Secondly, Mr. Hector Munoz, one of our assistant principals, has relocated and moved outside of Austin. Ms. Letty Vasquez-Jones will be supporting Mr. Munoz's duties and responsibilities, including supporting students with the last names A-Che. Ms. Vasquez-Jones can be reached via email at [maria.vasquez3@austinisd.org](mailto:maria.vasquez3@austinisd.org). We are currently in the process of hiring an assistant principal to begin in the spring semester, and we will update our community once the details are finalized.

Both of our administrative substitutes are passionate educators and excited to engage with the Bowie students, staff, and families.

Thank you, and go Dawgs!
