April 16, 2025

Greetings, Bulldog Nation!

ALGEBRA 1 EOC AND TSI TEST - On Wednesday, April 23, students enrolled in Algebra 1 as well as students needing to retest will take the Algebra 1 STAAR EOC exam. Additionally, juniors and seniors who still need to demonstrate proficiency on the TSI exam will be testing. Test sites will be posted for students to reference on the windows outside of the Library.

Testing will begin at 9:05 am, and most students will be done by 12:43 pm. Students will need their FULLY CHARGED AISD CHROMEBOOK to access the testing platform. We also encourage students who are testing to bring a sack lunch in case they test through their lunch period. Please remind your student to get a good night's sleep and eat a good breakfast.

WHO'S WHO OF BOWIE HIGH SCHOOL - Bowie's Who's Who award is the faculty's recognition of 24 seniors who have made a positive impact, advancing Bowie's culture through their contributions to the school and the greater Bowie community. This week, the [24 seniors who were chosen](#) for this award were surprised with the news of this recognition! The Who's Who Ceremony will take place on Wednesday, April 23 at 6:00 pm in Bowie's "Outstanding Room" in the Bowie Library.

VERTICAL TEAM MEETING WITH TRUSTEE - We invite you to join us for an [important conversation with Trustee David Kauffman](#), who represents our district. Trustee Kauffman will be discussing student progress at our school and across the Bowie High School vertical team campuses (the elementary and middle schools that feed into a neighborhood high school).
