

# BASELINE EXPECTATIONS

## Phone-Free Learning

Phones can distract from learning, interfere with community-building and interpersonal connection, and contribute to online conflict. Each teacher will have specific protocols to ensure that personal technology is ONLY used for educational purposes.

*\*See Bowie's Bring Your Own Technology Policy in the Bowie Student Handbook for exceptions and details*

## Limited Hall Passes

Excessive use of passes causes students to miss valuable instruction and allows for unacceptable student behaviors in hallways and bathrooms. Each teacher will have specific protocols to limit, document, and monitor the use of passes. No hall passes will be issued the first or last fifteen minutes of a class or during FIT. Students should utilize passing periods and lunch breaks to use the restroom.

*\*Reasonable accommodations will be made on a case-by-case basis. See the Bowie Student Handbook for more info.*

## Cooperate with Reasonable Requests

In the interest of safeguarding students and their learning, every staff member is trusted and empowered to make reasonable requests of students whether or not the student is assigned to their roster. Cooperating means that the student immediately and respectfully complies, knowing that they can always follow up with a counselor, administrator, or other trusted adult with concerns or questions.

*\*See the Austin ISD Student Code of Conduct for more information*

## Wear Your ID Badge

Wearing an ID badge is a standard work-place expectation and one of several key practices that contributes to a safe and orderly campus. Students, staff, and visitors are required to wear an official ID badge at all times and in plain view during school hours. ID badges may only be removed at the direction of authorized staff for instructional purposes or other school activities. Badges are also necessary to sign in and out of campus, purchase cafeteria items, borrow library books, receive technology support, use hall passes, and for other classroom or campus procedures.

*\*See the Bowie ID Badge Policy in the Bowie Student Handbook for more info*
