Greetings, Bulldog Nation!

Today, the Texas Education Agency released the accountability ratings for the 2023-24 and 2024-25 school years. Our campus received the following ratings:

- **2024:** Our overall rating was an A with a score of 90.
- **2025:** Our overall rating was an A with a score of 93.

**How we got here:** These results come just four months after our campus received a B rating in the 2022–23 accountability report, released in April 2025.

- The quick succession of accountability releases for 2023, 2024 and 2025 is due to legal delays that held up [accountability ratings](#) in court.
- The courts dismissed the efforts to block A-F ratings statewide in April 2025, allowing all campus-based grades to become public for the first time since 2019.

Each school's overall rating is based on performance outcomes in three "domains". The best outcome of Domain 1 and Domain 2 contribute 70% of the overall rating, while Domain 3 contributes 30%.

Our overall numeric score was 93, for a letter grade of A.

- **Our Domain 1: Student Achievement** score was 93 for a letter grade of A. This grade is made up of three components: STAAR, College, Career & Military Readiness (CCMR), and graduation rates.
- **Domain 2: School Progress** is made up of two parts:
  - Academic Growth, which tracks individual student growth on STAAR and
  - Relative Performance which compares our STAAR and College, Career and Military Readiness scores to the results of similar schools.

The higher of these two scores becomes our overall score for School Progress. Our school received a 84 and a letter grade of B.

- **Domain 3: Closing the Gaps**, evaluates historically low performing student groups in the following four areas:
  - STAAR Reading and Math at Meets Grade Level,
  - Graduation rates,
  - Progress on English Language Proficiency and

- STAAR Performance and College, Career and Military Readiness  
Our closing the Gaps score was 93, and our letter grade was A.

Schools that receive an A, B, or C rating may also earn **Distinction Designations** for outstanding performance in specific areas, compared to similar schools across the state.

We're proud to share that our school earned distinction(s) in: Postsecondary Readiness
